

Novapoint Land Acquisition Planner

Novapoint Land Acquisition Planner is an easy to use, multi-purpose tool for calculating areas. Depending on the specific configuration you select, Novapoint Land Acquisition Planner can calculate and present results in a wide range of standards and layouts. Layout maps and tables are automatically produced and updated. Layouts and tables can also easily be customised by the user.

Novapoint Land Acquisition Planner is a good tool for creating Right of Way Plans for Highway/Road projects.
